

2017 END OF YEAR QUIZ

Congratulations to everyone who supported the last End of Year Quiz. As usual the standard was very high and, of course, as usual there were some responses which sent me searching and treble checking (at least!). In the end I had to make some strict decisions so, remember, I am always right, even if you disagree with me.

I hope you all enjoyed exercising your “little grey cells”, I know mine are quite exhausted now. Remember, the main thing is to enjoy the challenge, it’s nice to win, but it’s the taking part which is important (I hope).

As usual all profits go to a local charity, this year again, will be St Nicholas Hospice Care, always a popular choice.

Once prize money and printing are deducted they will receive £90. Thank you to all for your support.

Brian Milner
