Apologies from Liz Morgan, Bernadette Pitt

Chairman clarified our position concerning postponement of Annual General Meeting until Government guidelines allowed the required number of members to meet in person.

The payment to zoom lectures and contribution to the Third Age Trust will keep our subscription at £10 with the possibility of a celebration for our members following the end of the pandemic. Any members wishing to cancel their membership would need to cancel their standing order with the bank and inform the membership secretary.

Treasurer: Brenda will condense the 3 page finance report to one page for publication in the March newsletter with access for all members to examine the full report.

Secretary: until now no members have offered to be involved in the committee meetings with a view to stand next year when many committee members will retire. With this in mind discussion followed about opening the waiting list and it was decided to do this as a 15month subscription period bearing in mind the limited activities at present.

The U3a movement are planning a U3A Day on June 2nd. A zoom invitation on 15th March has been sent to us from U3a East of England to suggest what we can do for this.

Conveners of outside interest groups will liaise to agree a safe risk assessment for future meetings during pandemic

Sallie will pass on Charlie Haylock's offer to speak at a December New Green Centre meeting to Bernadette.
